Event 2

Location / Dates: The event took place in **Budapest (Hungary)**, from **12/08/2017**

Short description: The aim of the event was get to know the capital of Hungary, history and culture of Budapest day and night as well. We wanted to organize a program that will provide a new experience for those who have gone to Budapest and are not so familiar with the tourists.

Event 3

Participation: About 5000 citizens from Alsónémedi (Hungary) and from the regio.

Location / Dates: The event took place in **Alsónémedi (Hungary)**, from **13/08/2017**

Short description: The aim of the event was celebrate the 950 years jubilee of Alsónémedi village. At the same time, we gave a taste of the history and culture of the settlement. The main goal was to involve the citizens in the program, strengthening the community cohesion. In addition to the involvement of the residents, we also wanted to show that belonging to the European Union is our historic heritage. Knowing, accepting and respecting the culture of other nations and the cultural diversity is our common European value.

Event 4

Location / Dates: The event took place in **Alsónémedi (Hungary) and Ócsa (Hungary)**, from **14/08/2017**

Short description: The aim of the event was to start a professional job. The theme of the workshop was "Let's Learn Democracy", where participants could get acquainted with the theory of participatory democracy and could present some best practices about their own settlement. With the help of the Protect the Future (Védegylet) staff, they met the project Communities in Transition. The Protect the Future promote citizens' participation in all levels of decision-making and creative action on environmental issues, food, energy and local eco-economy. We have put great emphasis on supporting cooperation between the local government and NGOs. The project started with the workshop will be continued online in the future by launching and managing specific local projects.
